Everyone says humans are safe on Risda III.

Yeah, right.

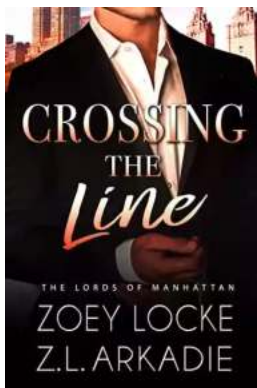

I was taken from Earth years ago and I've learned one thing - a flawed human is a dead human. So I keep my flaws to myself, and I focus on

running my farm.

At least, I try to. But when I (accidentally) burn the barn down, one of the local officials shows up to help me put it out. And when Khex learns my secrets, he decides that he'll keep them...
