Out of Sight is Not Out of Mind

Within sight of Marathon, Florida, lies an island left to its own devices. While its harbor is picture-postcard perfect, abandoned and hurricane-ravaged Boot Key has a secret hiding deep in its mangrove tunnels and derelict fishing shacks. With its only bridge deemed too costly to maintain and its center span removed, Boot Key is accessible only by water. The authorities give the few residents a wide berth--until Mac Travis, working a salvage job, discovers the body of an old friend. His search for justice leads him down a road of murder and deceit.

Packed with scenic locations, boating, fishing, diving, and the usual cast of Conch Republic characters, Wood's Honor will take you on a wild ride through the underbelly of Florida Keys counterculture.
