The initial leg of her journey was filled with treacherous obstacles - dense vegetation, venomous creatures, and the ever-looming threat of the unknown. Despite the challenges, Jane pressed on, driven by an innate urge to unravel the enigma hidden within the depths of the jungle.

The Enigmatic Tribe

After weeks of hardship, Jane stumbled upon an unexpected sight. A secluded village nestled amidst the lush greenery emerged before her eyes. She had finally found the enigmatic tribe she had been seeking.

The tribe, known as the Xariri, had deliberately chosen to live away from the influence of the outside world. Their unique customs, traditions, and

way of life were profoundly entwined with the unspoiled nature surrounding them.

As Jane spent more time with the tribe, she discovered their rituals and practices that had been passed down through countless generations. The Xariri tribe's connection with the land and its inhabitants was awe-inspiring. They celebrated their harmonious existence with nature, respecting every living creature that shared their habitat.

The Dramatic Twist

However, every captivating story needs a dramatic twist. Our adventure took an unexpected turn when a group of outsiders, driven by greed and a desire for power, stumbled upon the hidden village.

These outsiders sought to exploit the tribe's resources, disregarding the Xariri's harmonious lifestyle and their delicate ecological balance. When Jane discovered their malevolent plans, she took it upon herself to unite the tribe against these intruders, leading to a series of heart-stopping confrontations.

What unfolded was a dazzling display of courage, resilience, and the power of unity against adversity. The Xariri tribe, with Jane as their ally, fought fiercely to protect their ancestral land and the serenity they cherished.

Here described the beauty of hills, humanity & ethics of the ignore hill-tribe in Bangladesh. Their green hills are floating on the Kornophuli river's water. Those are very charming scenery which made by green and blue color reflexing from trees and sky in those water. There is an attraction Temperate Zone area, neither very cold nor very hot. Extraordinary tourism area in Bangladesh as well as in the world. This is a travelogues type drama. The main character of the play is

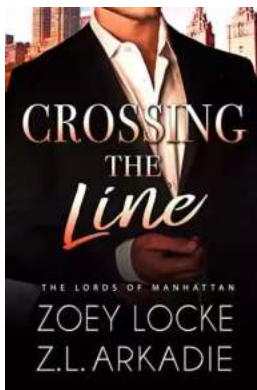

countrified Mr. Javed Hasan. He grew up in villages, so, he considered countrified. He is polite, helpful, meritorious, smart in his job but in the life of the city, he could not adapt. So, he retired from his job of the manager post in a ceramic industry named Luna Ceramic by young owner Luna Madam. In search of livelihood, he went to Rangamati, a hill town in Bangladesh, and was abducted by the Peace Corps. The drama is written about the life of the hill-lifestyles', their happiness and sorrow, struggle, the details of various religious ceremonies of them, etc. The change in the living of lifestyles of the people of hill area Rangamati after the construction of the Kaptai Dam (A electricity making powerhouse by deposited water) on Kornophuli river at Rangamati, Bangladesh

The Kaptai Dam was built in 1956-62 during the Pakistan Administration era. Due to the Kaptai lake, 54,000 acres of agricultural land was submerged, which was 40 percent of the total agricultural land in these areas. In addition, 29 square miles of government-protected forests and unclassified 234 square miles of forest were also submerged. A total of one lakh people was displaced by about 18,000 families. Bangladesh government has done a lot for the tribe's welfare.

But during the Pakistan Administration era due to Kaptai lake all of the tribe's houses, cropland all went. Not much was done for them at that time. The scene for their rehabilitation was not mooted. Then the tribes have been wandering in the mountains looking for a living.

However, it has created an alternative action for tribes. Rangamati has created huge opportunities for tourism. The easy communication system has been ensured for the transport of mountain tree resources. If the tourists are guaranteed safe movement there, they have huge employment opportunities in this regard. Moreover, the tribe does not treat well the Bengalis who are here. If they live on the basis of equality, government and foreign aid will be an increase - which will help them in their development.

Prerequisite for the promotion of peace and harmony with society. It is true that when there is no cropland on the plainlands, they grew cropland by cutting big trees on the Hills. At that cause, the mountain collapsed in a big rain. Day by day their cropland is declining. Their shortage is also increasing. They are very worried about that. Because someday they have no land for cultivation. How way they will survive?it is a big question for their future generation. Nobody will not understand all of their struggles except practical experience.
