Code name: Ranger

Target: Maisie Ann Jones

Mission: Uncover the whereabouts of a smart, sexy spitfire

RANGER

Undercover, confidential, and dangerous, the new K19 Shadows lurk where others won't, ready to act in a moment's notice. When Maisie Ann Jones disappears with a serial killer on the loose, it doesn't look good. The others have turned up dead.

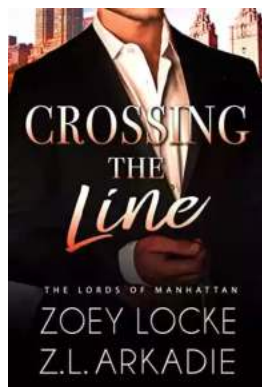

I refuse to let anything harm this woman, after all, she stole my heart. I'm determined to find her, save her, and take down anyone who gets in my way.

MAISIE

A teenage crush. At least that's what I thought it was. But when Ranger comes barreling back into my life, nothing stops how I feel or what I should want—I just want him. I'm a Dartmouth grad who took over my family's business before I turned twenty-five. I don't need a man. I've never been a damsel in distress. Until now.

But I'm worried that he's met his match. Will this serial killer destroy the only man I've ever loved?

While each book in the K19 Shadow Operations Series is a standalone with its own HEA, the books may be more enjoyable read in order. This book may contain triggers.
