### **Book 1, Second Chances Time Travel Romance Series**

Jake Owens is tired of the cowboy life on his parents' Montana ranch, catering to city folk who want a taste of old-fashioned country living. He enjoys life in the fast lane, with fast cars and even faster women. When he falls in with the wrong crowd and is accused of murder, a stranger's bizarre offer at a second chance might be his only hope to clear his name.

Rachel Parker is highly devoted to her family. A tragedy prompts a daring move to the Oregon Territory for a fresh start in a new land. After meeting

the wagon train's scout, the meaning of a fresh start may be more than she ever imagined.

Jake doesn't believe in time travel, or that he's been sent back in time to act as scout for a wagon train along the Oregon Trail. He's also been given the added burden of keeping one emigrant woman safe during the journey. He and Rachel are confused by their attraction to each other. Jake's ill-mannered, unconventional ways are overshadowed only by his notorious reputation. Rachel's traditional values and quiet, responsible character are the complete opposite of what attracts Jake to a woman. When their forbidden attraction turns to love, what will happen at the end of the trail?
