***A note from the author: I am so happy to be able to share Daughter of Time with you. I created Footsteps in Time and Prince of Time first, and only wrote Daughter of Time after so many readers wanted to know how the story began. Meg's journey is continued in Footsteps in Time and Winds of Time. Happy reading!

"Sarah Woodbury is my new favorite author. Daughter of Time reminds me of Outlander and 1632, with a fresh twist. I read all the books in the After Cilmeri series in four days! Long after I finished the last book, the stories and characters stayed in my mind, and I kept wishing I could return the world Sarah so skillfully created. I can't wait for the next book and the next ..." -- Debra Holland, New York Times bestselling author of the Montana Sky Series.
