Another murder.

More deadly secrets.

An impossible situation.

When a body washes up on shore, Tyson and his retired Navy buddy JD put on their detective hats. But they might not like what they find.

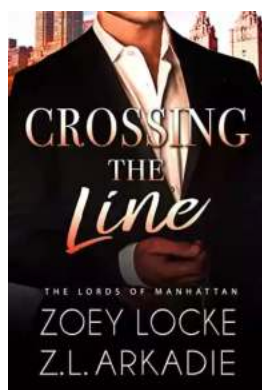

Digging deeper into the mystery brings chaos and danger. And the duo find themselves the target of sinister forces. Living on a boat in the Florida Keys is a lot more treacherous than Tyson ever imagined.

To make matters worse, their personal lives unravel. JD's incorrigible daughter finds herself in a life and death situation, and Tyson's romantic involvements turn complicated.

Paradise comes with a price, and to bring the killer lurking in the shadows to justice, Tyler may have to sacrifice his chance at redemption.
