

# My Father's Wisdom: A Treasure for His Daughter's Heart

As the sun sets over the countryside, I find myself reminiscing about the invaluable wisdom my father has bestowed upon me throughout the years. It is said that a daughter's first love is her father, and indeed, my father has been my guiding light, my mentor, and my rock. With every piece of advice he offered, he filled my heart with love, strength, and the determination to face life's challenges head-on.

My father, a man of few words but profound insight, has always had a knack for imparting wisdom in the simplest yet most impactful ways. His pearls of wisdom have shaped my character, influenced my decision-making, and instilled in me the importance of perseverance and integrity.

He believed that by being honest with ourselves and others, we cultivate trust and build strong, meaningful relationships. This lesson has not only guided my interactions with others but has also instilled a sense of integrity within me, guiding my ethical compass throughout my personal and professional life.

I have always been fascinated with poetry and its linguistic rhythm especially when being recited by my dad. To me, poetry contains words of wisdom for the soul. Therefore, this book consists of soul-stirring poems that my father would often recite, some original poetry of my own as inspired by his renderings, along with some “food for thought.” After readers have digested the contents of this book, it is my hope that these words will speak their to minds, reach their hearts, and that they will come to know the breadth and depth of God’s love.
