India that is Bharat turns 75.

This ancient mystical land with a relatively new Nationhood!

Rooted – India 75, and We, the People is a collection of emotions, at this juncture of National Milestone.

Expectantly there are questions put forward in poetic lyricism.

Who were we?

What are we now?

Where are we heading?

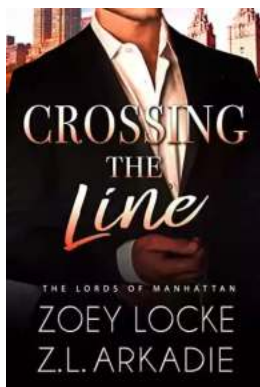

The poet asks the people at large.

This book is a poetic offering at the altar of the Nation and in the words of eminent poet and author Dr.Santosh Bakaya, & While reading her impassioned sentiments, some words, unbeknownst to you, assume the form of graffiti, permanently etching themselves on the walls of your heart.”

A poetic tribute to India as she enters into her 75th year.
