Homeland Security operative Ryan Savage has circled the globe multiple times to protect his country and the people he loves. Through it all, he's never flinched, never once resisted the call. This time trouble finds him on domestic soil, and it is more personal than ever.

Ryan is looking forward to spending a week in Colorado with a former brother in arms, helping him work his homestead and enjoying the crisp mountain air. But when he arrives, he's met only by his friend's son, who doesn't know where his father is. When another twenty-four hours goes by, Ryan decides to start looking for his friend. But he quickly discovers that the locals aren't too keen on out of towners poking around in their business.

Never one to walk away from unanswered questions, Ryan starts a side investigation of his own. It doesn't take long to learn that the mountains around Briar Point hold secrets that some will do anything to keep in the dark.

As threats, punches, and bullets start flying, Ryan is determined to stop at nothing to get to the truth and return his friend home alive.
