Money can buy anything. And anyone. As the head of the Constantine family, I'm used to people bowing to my will. Cruel, rigid, unyielding—I'm all those things. When I discover the one woman who doesn't wither under my gaze, but instead smiles right back at me, I'm intrigued.

Ash Elliott needs cash, and I make her trade in crudeness and degradation for it. I crave her tears, her moans. I pay for each one. And every time, she comes back for more. When she challenges me with an offer of her own, I have to decide if I'm willing to give her far more than cold hard cash.

But love can have deadly consequences when it comes from a Constantine. At the stroke of midnight, that choice may be lost for both of us.
