Kennedy Mitchell thinks it's a mistake when she'd proclaimed the world's twelfth keeper. She's no warrior. She isn't wise beyond her years, or more importantly, capable of keeping Earth safe.

But since all evidence says otherwise, the job is hers whether she likes it or not.

During the highly demanding training regime that follows, Kennedy struggles to fit in with Earth's renowned protectors. Especially Phoenix Jorgensen, who openly despises her. Problem is, he may be the only one she can trust. The keepers have big secrets surrounding them. With Phoenix's help, she'll have to find a way out.
