The Creation of the Defenders: A Marvel Masterstroke

The Defenders made their first appearance in Marvel Feature #1 in 1971. The team consisted of three iconic heroes - Doctor Strange, the Sorcerer Supreme; the Hulk, the strongest there is; and Namor the Sub-Mariner, the prince of Atlantis. Unlike traditional superhero teams, the Defenders were united by circumstances rather than a common goal. Their shared love for humanity pushed them to fight against supernatural threats, interdimensional beings, and otherworldly villains.
