Series Complete! Tonight, my virginity goes to the highest bidder...

This obviously isn't the fun, romantic first time I've always imagined, but it's the only way to raise the money to save my sister from her abusive ex.

The best I can hope for is that my buyer won't be a creep. And that he won't hurt me.

But I'll confess, by the time the auction is over, this lifelong book nerd is shaking in her high heels and itchy lace corset.

And then I meet him. Sterling.

He's gorgeous, loaded, and, as I soon come to realize, highly accomplished in the field of delivering multiple Os.

But what did he mean when he said he can't remember the last time his hands were clean? And why does his sleepy country estate need a man with a gun guarding the entrance?

Most importantly, am I going to be his guest here...or his prisoner?

Warning: Sold to Sterling is the first installment in a three-book serial romance. It's a dark, dirty, boundary pushing romance that ends in a cliffhanger.
